

Project Title:

Executive Director

First Name:

Sur Name:

Education:

Faculty Name:

The Number of Performed or Performing Research Projects:

The Number of Scientific & Research Publications:

Type of proposal: Fundamental Practical Improving

Abstract:

Purpose & Justification:

Project timeline:

Project Performance place:

Amount Requested

Individuals Expenses:

Equipment & Supplies Expenses:

Total Requested Amount:

Individuals Expenses Percentage:

The project will result in ISI articles & will produce.....

a. Personal Information

ریاست جمهوری

Iran National Science Foundation

Application Form

Firs Name	Sur Name	Father's Name	National IC	Birth Place	Birth Date	Married Status

Home Address:

E-mail Address:

Tel:

Real Person:The Member of University or Research Center Scientific Board Expert The Member of Other Institute's Scientific Board Other **Legal Person:**Governmental Private Cooperative Academic Research Centers Other

Department Name:

The Type of Admissible Activity in the Statute:

Establishment/Activity beginning Date	Registration/Issuance Place	Establishment License			Registered Investment		
		Code	Date	Issuant	Primal	Present	Paid Price

Office Address (Postal & E-mail):

Tel:

Fax:

Educational Records:

No	Degree	Field of Study	Institution	Geographical Place	Date	
					From	To
1						
2						
3						
4						
5						

Scientific-Performing Experiences:

No	Institute/ Organization	Geographical Place	Position	Main Activity	Date	
					From	To
1						
2						
3						
4						
5						
6						
7						
8						
9						
10						

**Licenses & Certificates:**

No	Term Name	Institute/ Organization	Time (hour)	License Reception Date
1				
2				
3				
4				
5				
6				
7				
8				
9				

Scientific-Research Publications:

No	Title	Publication Type	Volume Title	Issue Year & Place

5					

Other Needed Explanations:

b. Project Proposal Characteristics:

Title:

Project Type:

Fundamental Research

Software

Other

Practical Research

Inventive

Improving Research

Initiative

Professional & Researching Field:

Performance Method:

By Real Person (People)

With Academic Units Cooperation

With Industrial & Mineral Units Cooperation

Other (Mention)

By Legal Person (People)

With Research Institutes Cooperation

With Other Valid Research Organizations Cooperation

Connected Information & Documents:

Scientific Report

Scientific & Performance Experiences of Researcher

The Last Educational Experiences

Specialized Certificates

Issued Publications

Other (Mention)

1.

2.

3.

- **Abstract** (Containing Background, Hypothesis, Aims & Performing Method)

- **Project Proposal Aims**

- **Results Usage Field** (Technical Sciences Production, Yield Production, Science Offering)

- **Scientific Demonstration & Technical-Laboratory Features Offering of project** (If Necessary)

- **Project Method** (Containing Research Method or Designing & Building System)

- **Project Background in Iran & Other Countries by the Exact References, Grants & Differences with this proposal**

Main Project's Colleagues Information:

No	Name	Scientific Degree	Responsibility in the Project	Address & Tel	Signature
1					
2					
3					
4					
5					
6					
7					

c. The Project Schedule

No	Periodicity Order	Time (Month)																								
		1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	

Project Duration Forecasting (Month):

Beginning Date:

Terminal Date:

**d. project Costs**

1. Individuals Expenses

No	Scientific Degree	Responsibility in the Project	Cooperating Duration	Cooperation hours/month	Total	
					Hours	Expenses
1						
2						
3						
4						
5						
6						

2. Needed Equipments & Engines (if necessary):

No	Equipment	unit	Composer Company	Country	Needed Costs (\$)
1					
2					
3					
4					
5					
6					
7					
8					

3. Needed Materials & Usable Apparatus (if necessary):

No	Material/Instrument	Needed Amount or unit	Composer Company	Country	Unit Value	Needed Costs(\$)
1						
2						
3						
4						
5						
6						

- Other Expenses:

No	Type of Cost	Unit Cost	Needed Costs(\$)
1			
2			
3			
4			
5			
6			

“Total Project Cost”

Project Performance Necessities	Current Year(\$)	Next Year(\$)	Total(\$)
1. Equipment & engines			
2. Primal Materials			
3. Individuals			
4. Publications			
5. Transportation & Trip			
6. Books & Journals			
7. Project Performance Place			
8. Other			
Total Expenses			

The project will result in ISI articles & will produce.....

e. Other Needed Explanation

The main researcher has filled the present questionnaire with complete notification of procedures & topics & confirms all the contents. Responsibility of any defect or mistake in the proposal is to the proposer.
